Leading words February 2024

Hello again. In January we have had a couple board meetings that went well. I appreciate the support and advice from our team. We get along very well. I see that a few members have been enjoying lunch together at Pav's in Hebron on Wednesdays. And also other places. That's great. Our January meeting on the 21st. was great for a cold day. We had 50 plus people there and plenty of great food and desserts. Thank you to Kay, Lois, Sandy, Dottie, Rosie, and our guest Rhonda. Also Dave and Rosie made the coffee. Yes in deed this one was a mighty good time with lots of friendship and laughter. Now we can look forward to the Valentines party and our meeting and auction in March. Thank you Glen

Sunshine Report

Hi Club! Happy New Year! We are looking forward to another great season coming up in a few months, until then, keep your auto treasures clean, polished and ready to roll in the spring!

Please be reminded that a great car club is a car club that cares about YOU!

Please contact me if you know of someone who may need a word of encouragement, or that is sick or in the hospital.

When someone passes away in our club, it is so very important that you let me know, so we can send our heartfelt condolences to the family.

Please communicate these things to me so we can continue to be a great car club that continues to care about our members!

Stay Warm and stay well dear friends!
