Leading Words:

In February we had a great Valentines party thanks to Joe and Dottie Inzerillo at Santini's with plenty of great food. Bill and Sandra Poling also brought in the cup cakes that everyone enjoyed. Our next meeting is our auction on Sunday March 17th at 2pm. This year we will have it just west of Wheeler on the North side of St Rd 130 at 683 St Rd 130. This will be more room and a nice place thanks to Samantha Allen our club secretary. Please bring things for the auction to help the club. The auctions are always a mighty good time. In April we may have our meeting back at Trinity Free Methodist Church again. Thank you to my many friends that help me as your proud president. Glen

Sunshine Report

Rev up your engines and buckle up and get ready for another great season of car club gatherings! Can't wait!

Please keep Ed Stumke in your thoughts and prayers, as he is recuperating and has had a stay in the hospital recently.

Just know the difference between a good club and a great club is, a great club is a club that cares much about its club members. We need your help to communicate.

We look forward to keeping in touch with those in need. But to do this, please contact your Sunshine committee when you know someone who can use some encouragement, get well or sympathy card. We're here for you!
