**WOAC Returns to**

Trinity Free Methodist Church

The WOAC gathered at Mark's Barn in Wheeler on St. Patrick's Day for the Annual WOAC Fund Raiser Auction & Business Meeting. This was the first time the club met at Mark's Barn and was well received by the 70 members who brought lots of goodies to be auctioned to the highest bidder. Members brought sides and desserts to compliment the corn beef & cabbage dinner prepared by the Ladies of the club.

## 2024 Auction Brings in \$534

The bidding was hot and heavy as the W.O.A.C. held its annual Fund raising auction after the March 17th business meeting. Auctioneer guided the bidding through many precious artifacts and automobile related items.

Treasurer Bill Poling reported that the club earned \$435 from the auction and \$99.00 for the 50/50. The top auction winners were Steve Gilbert and Chuck Delvecchio with Steve Mason running third. President Glen Ewen extended a hardy THANK YOU to all those who participated.

Start saving for next year's event!

**Leading Words:**

In April our meeting will be back to the Trinity Free Methodist Church in Merrillville at 8650 Grand Blvd. That will be the 3rd Sunday in April on the 21st at 2pm. We like to start the Meetings right on time at 2pm. April Meetings usually are our chili cook-off where many members bring in their favorite chili recipes. I have already heard there will be some chili there. Or bring in what you like to share if you don't care for chili. And as always deserts are very welcome. There will be coffee and if you would rather drink something else bring it. Again I Thank Samantha and Mark for the use of the Barn in Wheeler for the Meeting and Auction in March that went very well. Thanks to Kay, Lucy, Ronda, Rosie, and everyone that brought in all of the Great food. It was fantastic! Cathy did the 50/50 which brought in \$99.00 for our club and the Auction brought in all most \$500.00. Remember to wear your Name tags. ***Please bring in can goods for the church.*** We will be on the roads soon. Check your lights and mirrors to be in good working order for safe driving habits. Thank You Glen.

## Sunshine Report

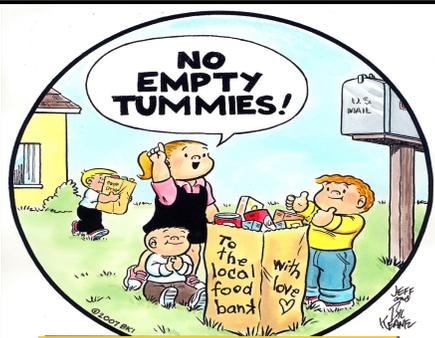

Received a call from Melvin Szudarski and he said that he had Recently come home from Rehab. Continued Prayers !!

Besides Melvin this month there is nothing to report as far as a club member's health concern, or ones passing, we would still like for you to know that if you or someone you know needs a word of praise, encouragement, or has a prayer concern, I'd be happy to send a card, pray, make a phone call, or even meet in person.

Please know we are a club that is here for YOU!
